TEACHER'S NORMAL INSTITUTE.

Closing Week's Session.—Interesting Exercises and Entertainments.—Many Visitors.

The Socorro county teacher's normal institute closed its two weeks session Thursday afternoon. The enrollment and the interest in the work of the institute were greatly increased during the second week. Besides the substantial increase in membership, a large number of visitors each day contributed much by their presence to the pleasure of the work.

Mayor Cooney was present at Monday morning's session and delivered a brief but earnest address along educational lines. Prof. E. F. Dunlavy of the Normal School at Silver City lectured to the teachers briefly Wednesday morning and again Thursday morning. Professor Dunlavy is an elocutionist of rare ability and his readings were attended with hearty appreciation and applause. His entertainment at the court house Thursday evening was well attended and is spoken of in terms of highest praise. It was expected that Col. J. Franco Chavez, Superintendent of Public Instruction, would be present during a part of the session of the institute, but he wrote that official duties at Santa Fe made it impossible for him to come.

All in all, the institute was a pronounced success. Superintendent A. C. Torres and his efficient secretary, Julian J. Trujillo, are entitled to great credit for the enthusiasm they displayed in directing the work.

The enrollment for the week is as follows: Sister Mary Basil and Sister Angelica; Misses Rose H. Schmidt, Della M. Schmidt, Ascension Vigil, Nellie Vigil, Candelaria Sais, Alice Wattleit, Josie De Baun, Mary E. Foreman, and Bessie C. James; Messrs. E. M. Chavez, Donaciano Cordova, C. B. Sedillo, Miguel T. Torres, Jose M. Lopez, Avelino Lopez, Julian J. Trujillo, Martin Lopez, Ciriaco Jéjola, Romualdo Gonzales, Sosteno Aragon, David Flores, P. A. Marcelino, Gregorio Abeyta, Jacobo Chavez, Pedro A. Vigil, Apolonio Valles, Donaciano Torres, C. M. Surfus, and Garibaldi Vigil.

The report of the committee on resolutions was adopted as follows:

RESOLUTIONS:

Resolved, That the most sincere thanks of the teachers assembled in this institute are due and tendered most heartily to our County School Superintendent for the courteous treatment by him of all attending the institute, and for his untiring efforts in behalf of the great work of education, and for his kindly help to us all.

Resolved, That our most heartfelt thanks are sincerely tendered our efficient and able conductor, Professor E. A. Drake, for his painstaking, disinterested efforts in our behalf and his kind treatment of each and every member of the institute.

Resolved, That the teachers assembled are deserving of praise for the courtesy shown each other during the session and for kind sociability amongst members, as well as for regular and constant attendance.

THAT VACANT JUDGESHIP.

No Indication as to Who Will Be the Successful Candidate.

The judgeship of this fifth judicial district is still vacant and there is no evidence as to who among the applicants will be the successful man. Attorney W. E. Kelley of this city has strong endorsements and his friends in Socorro and vicinity would be greatly pleased to see him win the appointment. Messrs. Clancey of Albuquerque and Turner of Silver City are not in the race, the latter gentleman being now a strong supporter of Judge Pope of Santa Fe. Captain Reid of Roswell was recently reported to have withdrawn from the race, but in a later interview he denies this report. He merely says, however, that he will accept the appointment if tendered him. Judge Sulzbacher is still to be enumerated among the applicants for the position. Also, recent press dispatches announce that another gentleman from Michigan has entered the lists. This is the exact situation at this writing. If anybody has any inside information upon the subject he is keeping it very much to himself.

FIDELIUS ANTONIO KATZENSTEIN.

An Old and Respected Citizen of Socorro Goes Peacefully to His Rest.

F. A. Katzenstein, the aged father of A. F. Katzenstein, died at the son's home in this city at 4:30 o'clock, Wednesday evening, August 26. Old age was the only ailment and death came as quietly and peacefully as sleep comes to a child.

Fidelius Antonio Katzenstein was born in Wertenberg, Germany, in 1815. He went to Paris when a mere boy and was forced into military service in that city during the revolutionary troubles of 1848. In 1858 he went to London, where he remained until he came to the United States in 1870. Mr. Katzenstein came to Socorro in 1888 and had resided here continuously since that time. His wife died here in 1897. Two children survive, A. F. Katzenstein, and Mrs. J. C. Carrera of Las Cruces, one son, Eugene, having died in 1896.

Funeral services were conducted at the family residence Thursday and the remains were laid to rest in the Catholic cemetery.

Mr. Katzenstein was much respected by all who knew him. The manner of his death was a fitting termination of a long and active life.

Horse Thief and Jail Breaker.

Tom Bush, a youthful horse thief and jail breaker of renown, was brought down from Magdalena yesterday by Jailer Bob Lewis and lodged in the county bastille where he will remain 30 days as a guest of Socorro county. A few days ago Bush was caught out near Magdalena on a mule that was his merely by right of appropriation. Judge Blinn thought that the title would not hold but that the jail would. Bush broke jail at Silver City not long ago, mounted a horse hitched near by and made his escape. Several similar cases are to be brought against him and there is an excellent prospect of his spending some time in retirement. Bush is said to belong to a good family.

Be Witt Is the Name.

When you go to buy Witch Hazel Salve look for the name DeWitt on every box. The pure, unadulterated Witch Hazel is used in making DeWitt's Witch Hazel Salve, which is the best salve in the world for cuts, burns, bruises, boils, eczema and piles. The popularity of DeWitt's Witch Hazel Salve, due to its many cures, has caused numerous worthless counterfeits to be placed on the market. The genuine bears the name of E. C. DeWitt & Co., Chicago. Sold by A. E. Howell.

Court at Lincoln.

District Clerk John E. Griffith went up to Santa Fe the first of the week to arrange if possible with Judge Parker to hold court in Lincoln county. His effort was successful. Judge Parker will convene court at Lincoln September 7.

RAILROAD NEWS.

New Road to Be Built.—Important Traffic Arrangements.—Western Socorro County to Be Opened.

This morning's press dispatches are replete with important railroad news.

A new road to be known as the Arizona, New Mexico & Colorado has been financed and its location begun. This road will connect Denver with the Southern Pacific in southern Arizona. The line will pass through western Socorro county.

Another item of railroad news is to the effect that traffic agreements have been made between the Santa Fe and the Rock Island by virtue of which the latter will have track privileges over the Belen cut-off. This of course means the speedy resumption and completion of the work recently suspended east of Belen.

There is also a rumor, apparently well-founded, that the Phelps-Dodge people are contemplating the building of a road from Lordsburg to Silver City through the Burro mountain district, where they have recently acquired some extensive and valuable mining properties.

Beetles Destroying Fruit.

A strange thing is happening to the fruit still remaining on the trees in Socorro and vicinity. Myriads of beetles about three-quarters of an inch long are literally devouring peaches and pears at a rate that promises soon to relieve orchardists of all the trouble of gathering the products of their labor. A score or more of these voracious insects will light upon a peach and in a very short time nothing but the stone will remain. Nobody has yet suggested a means of preventing the ravages of this insect. Probably the only thing to do is to cover each tree with mosquito netting.

To Resume Brickmaking.

The belts for the new 300-horsepower Corliss engine at the territorial penitentiary have arrived and as soon as the pulleys which were shipped on the 12th inst., from St. Louis, get here, the ponderous machine will be set in operation and brickmaking on a large scale will be resumed. Everything is ready and plenty of clay is at hand. Superintendent Bursum is anxiously awaiting the arrival of the pulleys as he dislikes exceedingly to lose valuable time.—Santa Fe New Mexican.

Biggest Load of Coal Yet.

Allaire, Miera & Co. of San Antonio write the Chieftain as follows: "Henry Melendres, freighting coal for us, brought down from Carthage today, 11,000 lbs. of coal in one load. The wagon weighed 2,600 lbs., making the total load 13,600 lbs. This is the largest load ever brought by wagon from Carthage to San Antonio."

IMPORTANT BUSINESS CHANGE.

Joe E. Smith Buys the Howell Drug Store.—Will Continue the Business at the Old Stand.

Jos. E. Smith has bought the Howell stock of drugs, and took possession of the store yesterday morning. The drug business will now form a part of the more general business conducted by the Socorro Drug and Supply Company.

Mr. Smith's business movements have been somewhat mysterious for some time but are now easily explained. While the purchase of Mrs. Howell's drug business has been pending he has been fitting up the Sperling store room to receive a stock of hardware, paints and oils, paper, &c. It is pleasant to note that he expects to remain permanently in business in Socorro, and a large number of friends and former customers will unite in wishing him success.

Notice.

To whom it may concern: Notice is hereby given to all persons connected with the lease and option from T. B. Catron on the Ambrosio, Middle Ambrosio, and the Ambrosio Extension mining claims, situated in the Magdalena mining district, to pay no royalties from ores extracted from said claims to the said T. B. Catron or any other person. I being the owner of a one-half interest in and to the said above mining claims.

J. S. HUTCHASON.

At Mt. Carmel Convent.

All persons connected with Mt. Carmel convent, in fact all persons interested in that excellent institution, are sorrowing for the loss of Sister Euphrosyne, for twenty-four years Sister Superior, who has been transferred to Las Vegas, and of Sister Dolores, who has been assigned to Las Cruces. Sister Rosaline, recently arrived from the east, is the new Sister Superior and Sister Lorenza, also recently from the east, has charge of the department of music.

District Court.

There was filed Thursday in the First judicial district court for Santa Fe County a suit entitled Max. Frost vs. The City of Socorro, wherein the complaint endeavors to collect delinquent and past due coupons of bonds of that city to the amount of \$222.—Santa Fe New Mexican.

Episcopal Services.

Bishop J. M. Kendrick will conduct services in Epiphany church on Sunday, September 20. Those who have had the pleasure of attending services conducted by Bishop Kendrick on his former visits will need no second invitation to attend again.
